Adoption Application

Welcome to our adoption process! Love-a-Bull Rescue SA requests the following information to ensure that we can offer the best suited candidate to fit in with your family, home, existing pets (where applicable) and lifestyle.

Kindly take note of the below criteria before you start with the adoption application:

- For the safety of our dogs, we reserve the right to select the best suited homes.
- ***We only home our dogs to homes where all other existing pets are sterilized (only exceptional circumstances will be considered to the contrary).***
- Applicants must be willing and able to spend the relevant time and money to provide the required medical treatment, training and care of their adopted dog.

NB: Completion of this application does not guarantee adoption of a Love-a-Bull dog. Adoption approval is subject to the home inspection being passed as well as Love-a-Bull's strict adoption criteria being met.
